2016/4172/P	Edward Porter	3rd floor 1 Lady Margaret Road London NW5 2NE	25/08/2016 07:51:55	COMMNT	The view from my flat's back windows would be altered by the proposed building - for the worse, in my opinion - so I simply want to express my hope that all due consideration will be given, in the council's decisions, to the principles of the conservation area in which the site lies.
