Dear Obote,

**RE: CONDITION NO.2 (1-6 PRATT MEWS, LONDON, NW1 0AD REF:  
(2013/7739/P))**

Following discussions with you via email regarding the Condition No.2 we hereby submit this letter on behalf of our client to acknowledge responsibility for the maintenance of the green screen proposed at 1-6 Pratt Mews.

On the recommendation of the manufacturer the following will be carried out:

1. Green screens to be trimmed twice yearly
2. Top dressing to be applied to the planter every spring

No other recommendations have been made, as the screens require minimal maintenance.

The green screens provide all year round privacy as the ivy is hardy evergreen.

I trust the above is satisfactory but if you require any further information please do not hesitate to get in touch.

Yours sincerely,

Megan Walden-Jones  
On behalf of our client and gpad London Ltd.
