Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Full Planning Permission Granted

Address:

Flat 48
Aborfield
Peckwater Street
London NW5 2UD

Proposal:

Replacement of existing external door of flat (Class C3) with window to match existing.
Drawing Nos: 03539_1A, 03539_2A; 03539_3A; 03539_4A; 03539_5A

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as

possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans- 03539_1A, 03539_2A; 03539_3A; 03539_4A; 03539_5A

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission

The proposed window, to replace an existing door, would be acceptable, due to the use of matching materials and fenestration design. It would be a minor alteration at upper level not readily visible from the street or public realm. It would not materially alter the overall appearance of the host building or surrounding area or cause detriment to the streetscene. The reduction in glazing from door to window on a public access deck would not harm the amenity of neighbours.

No objections were received and the site's planning history was taken into account when making this decision.

As such, the proposed development is in general accordance with policy CS5 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework 2012.

- 3 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays.
