Development Management Camden Town Hall Extension Argyle Street London WC1H 8EQ

Application for Planning Permission. Town and Country Planning Act 1990

Publication of applications on planning authority websites.

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

1. Applicant N	ame, Address and Contact Details	
Title: Mr	First Name:	Surname: c/o agent
Company name:	JLL	
Street address:	30 Warwick Street	
		Telephone number:
		Mobile number:
Town/City:	London	Fax number:
Country:		Email address:
Postcode:	W1B 5NH	
Are you an agent	acting on behalf of the applicant?	Yes No
2. Agent Name	e, Address and Contact Details	
Title:	First Name: JLL	Surname: Planning Development
Company name:	JLL	
Street address:	30 Warwick Street	
		Telephone number: 02073995752
		Mobile number:
Town/City:	London	Fax number:
Country:		Email address:
Postcode:	W1B 5NH	planning.london@eu.jll.com
3. Description	of the Proposal	
	he proposed development including any change race at 2nd floor level on the existing rear flat roo	
Has the building,	work or change of use already started?	Yes No

4. Site Address Details							
Full postal address of the site (including full postcode where available) Description:							
House:	16 Suffix:						
House name:	Offices and Premises at 2nd Floor						
Street address:	Kirby Street						
Town/City:	LONDON						
Postcode:	EC1N 8TS						
	cation or a grid reference ted if postcode is not known):						
Easting:	531422						
Northing:	181844						
5. Pre-applica	tion Advice						
Has assistance o	r prior advice been sought from the local authority about this application?	◯ Yes ◉ No					
6. Pedestrian	and Vehicle Access, Roads and Rights of Way						
Is a new or altere	ed vehicle access proposed to or from the public highway?	☐ Yes No					
Is a new or altere	ed pedestrian access proposed to or from the public highway?						
Are there any ne	Are there any new public roads to be provided within the site?						
Are there any ne	w public rights of way to be provided within or adjacent to the site?						
Do the proposals require any diversions/extinguishments and/or creation of rights of way? O Yes No							
7. Waste Stor	age and Collection						
Do the plans inco	orporate areas to store and aid the collection of waste?						
Have arrangeme	nts been made for the separate storage and collection of recyclable waste?	☐ Yes No					
8. Authority E	mployee/Member						
(a) a m (b) an e (c) rela	ne Authority, I am: ember of staff lected member	◯ Yes ⊚ No					
9. Materials							
Please state what materials (including type, colour and name) are to be used externally (if applicable): Boundary Treatments - description:							

9. Materials							
Description of existing materials and finishes:							
Description of existing materials and finishes: Places refer to submitted place and the Planning, Design and Access Statement							
Please refer to submitted plans and the Planning, Design and Access Statement.							
Description of proposed materials and finishes:							
Please refer to submitted plans and the Planning, Design and Access Statement.							
Doors - description:							
Description of existing materials and finishes:							
Please refer to submitted plans and the Planning, Design and Access Statement.							
Description of proposed materials and finishes:							
Please refer to submitted plans and the Planning, Design and Access Statement.							
Are you supplying additional information on submitted plan(s)/drawing(s)/design and access statement?	•	Yes	0	No			
If Voc. places state references for the plants idequing a lideau and access statements							
If Yes, please state references for the plan(s)/drawing(s)/design and access statement: Please refer to submitted plans and the Planning, Design and Access Statement.			_				
Prease refer to submitted plans and the Framiling, Design and Access Statement.							
10. Vehicle Parking							
							
No Vehicle Parking details were submitted for this application							
11. Foul Sewage							
TTI. Four Sewage							
Please state how foul sewage is to be disposed of:							
Mains sewer Package treatment plant Unknown	4						
Septic tank Cess pit Other							
Sold file.							
Are you proposing to connect to the existing drainage system?							
12. Assessment of Flood Risk							
12. Assessment of Flood Risk							
Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing

13. Biodiversity and Geological Conservation	
h) Designated sites, important habitate or other highlicanity features	
b) Designated sites, important habitats or other biodiversity features	
Yes, on the development site Yes, on land adjacent to or near the	proposed development No
c) Features of geological conservation importance	
○ Yes, on the development site ○ Yes, on land adjacent to or near the	proposed development No
Too, on the development site	proposed dovelopment
14. Existing Use	
Please describe the current use of the site:	
The property is currently in office use (basement, ground and five upper floors).	
Is the site currently vacant?	Yes <a> No
Does the proposal involve any of the following?	
If yes, you will need to submit an appropriate contamination assessment with your application.	
Land which is known to be contaminated?	Yes No
	0.00
Land where contamination is suspected for all or part of the site?	☐ Yes ● No
A proposed use that would be particularly vulnerable to the presence of contamination?	Yes <a> No
15. Trees and Hedges	
Are there trees or hedges on the proposed development site?	
And/or. Are there trees or hedges on land adjacent to the proposed development site that could influe	ence the Ves No
development or might be important as part of the local landscape character?	
If Yes to either or both of the above, you <u>may</u> need to provide a full Tree Survey, at the discretion of y required, this and the accompanying plan should be submitted alongside your application. Your local	
what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, or	
16. Trade Effluent	
10. Hade Emdent	
	0.44
Does the proposal involve the need to dispose of trade effluents or waste?	☐ Yes ● No
17. Residential Units	
Does your proposal include the gain or loss of residential units?	
Does your proposal module the gain or loss or residential dritts:	0 163 8 NO
