2016/3989/P	A Tuffrey	122 Furzehill Road Borehamwood Herts Wd6 2dz	26/08/2016 15:08:01	OBJ	I am the freeholder of the land at 107e and I do not agree to this planning being granted as it would significantly reduce the future resale and use of my land - we would not be able to develop on our own land if a balcony or French Windows looked directly onto it and we may wish to do this in the near future. Whilst currently we rent the land to a business, we have had plans drawn up to enable the development of residential property on the site and as such any development of this nature would obstruct that and cause us significant financial impact.
