2016/4595/T	DANIEL SIMON	25 WEST HILL PARK LONDON N6 6ND	28/08/2016 16:10:25	JUST	The application wrongly states that the trees are not covered by a TPO. A blanket TPO was issues for the entire West Hill Park estate in 1971. I am not expressing an opinion as to whether the proposed work is justified, only that the correct procedures should be gone through
