The basement is nearly entirely useless as retail space and there is in any case a glut of retail space in the area. Conversion to short let accommodation will help to relieve the intense shortage of accommodation (short let and otherwise) in the area, and also help local businesses by providing more customers.
2016/3964/P	Daniel Bartlett	116 Drummond Street	30/08/2016 11:45:42	SUPPRT	I support the application. The area needs a lot more housing. There are already plenty of shops. The basement is of no use for retail anyway.
