LONDON WC1E 6HP

**Proposal:** INTERNAL ALTERATIONS TO FACILITATE CONVERSION OF EXISTING DWELLING (C3) INTO 2x SELF-CONTAINED DWELLINGS (1x 1BED, 2 PERSON AND 1 x 2BED, 4PERSON); INSTALLATION OF ROOF LIGHT AND ALTERATION OF FRONT GARAGE DOORS

Application for planning permission: 2016/3765/P  
Application for listed building consent: 2016/4101/L

The Association's initial comments on these applications were made in their letter to the Council dated 5 August 2016. We have since reviewed the development proposal with Bedford Estates and wish to make further comments.

Point 3 of our letter is withdrawn; points 1 and 4 remain as general observations but, now we better understand the applicant's development strategy, the Association's objection to the proposal is withdrawn.

With regard to point 2, we understand that the waste management plan described in Section 6 of the Design & Access Statement will be revisited and revised information submitted by the applicant's architect for substitution in the application.
