Your comments on the planning application

I have lived at no 11 Ospringe Road for many years. The extension proposed has no precedent on the street and is on an entirely inappropriate scale.

It would very significantly restrict the light to the lower ground floor of adjoining properties and to the gardens. In addition it would be possible to look directly into the windows of the ground floor rooms from a distance of only 2.5 metres. The privacy of the garden would also be reduced as the garden would be directly overlooked.

Planning Application Details

The size and scale of the extension is not in keeping with the other houses in the street and is an undesirable addition to the rear aspect of all of the properties in the street.
