2016/3310/P	Gilbert Hall	15 Well Road London NW3 1LH	31/08/2016 17:18:46	INT	<p>I am the owner (with my wife) of the neighbouring house, 15 Well Road. We are the only people who will easily be able to see the left flank wall.</p> <p>I ask that the bricks used be similar to those of my house, or at least consistent in colour and appearance. The architects took photos of our bricks to facilitate this, but they may have changed their ideas on the brick type since then.</p>
