**Subject:** 2016/4630/A-TfL comments

Dear Matthias

Thank you for your letter dated 26 August 2016.

Transport for London (TfL) has reviewed the application. Due to high pedestrian flows in the area generally, the footway should not be blocked during the installation and maintenance of the proposed banners. Notwithstanding this comment, the Council should fully consider the impacts of this application on the basis that this section of Camden High Street forms part of the local road network. It is important to note that the section of Camden High Street to the south of Camden Town Station forms part of the Transport for London Road Network thus TfL approval would be required if the banners were to be installed to the south.

TfL has no further comment.

Regards

**Tristan Gielen | Planner | Borough Planning**
