standards and guidance and that it is in compliance with the condition.

Once the WSI has been approved, the start date should be communicated by the archaeological practice to this office. I will conduct monitoring visits on behalf of your office.

The archaeological condition will not be fully satisfied until all works are complete, including any post-excavation assessment/analysis leading to publication.

Please do not hesitate to contact me should you require further information. This response relates solely to archaeological issues.

Please note that this response relates solely to archaeological considerations. If necessary, Historic England's Development Management or Historic Places teams should be consulted separately regarding statutory matters.

Yours sincerely
