Dear Peter

BELSIZE LANE GARAGES

We note with thanks your enquiry and confirm we act as Chartered Structural and Civil Engineers and carry sufficient Professional Indemnity for all advice given.

We would review the site and prepare sufficient independent structural calculations and sketches to verify the proposal given by the Messrs Price and Myers.

Following this stage we will then undertake three further site visits to check the piling, temporary work and underpinning as required.

Trusting this is to your satisfaction at this time.

Yours sincerely
For Knapp Hicks & Partners Limited
