Dear Camden Planning Team,

Further to my email dated 2nd Sept 2016 where I highlighted that I would like to withdraw my objection, I would like to add the following:

(1) I write in support of the application. I am satisfied that the development will proceed in a way that protects the amenity

(2) I wish to withdraw our earlier objections. Having discussed the proposals with the applicants I am now satisfied that the development will proceed in a way that protects the amenity'.

Kind Regards,

Amit, Flat B,
