2016/4513/P	Ben Irvine	23-27 Hatton Wall EC1N 8JJ	05/09/2016 18:48:47	OBJ	There are already two pubs at the ends of Hatton Wall that get noisy Thursday night onwards, so the addition of a 3rd venue for drinking/socialising would disturb the peace even further, therefore I'd like to object to this planning application.
