2016/3159/P	Yvonne Rees	Flat 19 Russell Square Mansions 122 Southampton Row London WC1B 5AE	05/09/2016 17:20:13	OBJ	I wish to reiterate my strong objection to this application. I understand revised plans have been submitted, but I received no notification of this despite my earlier objection. The revised plans take little account of the comments made previously by myself and other residents regarding the impact of noise on Russell Square Mansions. I urge the committee to reject this application.
