2016/4513/P	Roy McGowan	Clerkenwell House 23-25 Hatton Wall EC1N 8JJ	06/09/2016 18:13:19	OBJ	<p>Hatton Garden needs to retain it's light industrial employment use and it is important that the jewellery trade and office uses are preserved. We object to the proposed change of land-use to a bar and restaurant A4 use. This is an inappropriate land-use for this location and Camden Council should retain the existing land-use.</p> <p>It is also not correct to state in Section 3 of the Planning Application form that works have not started to implement the planning proposal. Extensive lower ground floor works have been already been undertaken without planning permission. The works undertaken have been stopped by an enforcement notice served on the applicant by the H&amp;S Executive using the CDM 2015 regulations. This enforcement notice was served in July 2016 due to the extremely unsafe nature of the building works and the potential danger to the workers. Camden Council Building Control were also called to attend the site and they have a separate report on the building work that was underway.</p> <p>This is not an appropriate change in land-use and we object to the proposal.</p>
