Bartholomew Estate and Kentish Town CAAC strongly object to the proposal 2016/4673/T to reduce to oak by 20% and lift 5 M from ground level we consider that reducing the crown by 20 % is OK but lift from 2 M from the ground is sufficient not to cause permanent damage to the tree.

We also object to 2016/4193/A as this will clearly be seen from the CAAC and we consider the proposed size inappropriate.
