Subject: RE: Re: 2016/4611/A - 174 Camden High Street

Hi Darlene,

I've had a look over this application and based on the context that it is not located on the public highway and will not be illuminated I do not see that it will have any impact on public safety or impede pedestrian flow. We therefore have no objection to this application.

Kindly

James Hammond
Principal Transport Planner

Hi James

I missed transport surgery yesterday – is there any chance that I can run this application past you quickly tomorrow morning ideally?

Thanks lots
