2016/4502/P	Gillian Simcox	48 Rochester Road NW1 9JL	07/09/2016 13:03:00	COMMNT	No48 is not directly adjacent to No50 but being at the end of the terrace it has a high boundary wall and is overlooked by the flats backing onto Rochester Place and we have a very small back yard. Most of the properties in the terrace have had extensions added to the original buildings in past years although No 48 has not. Our concern is that any further extension should not block light into our lower ground floor family room/kitchen.
