2016/2751/P	Yaqoob Johnson	Flat 41 Rosebery Square West Rosebery Avenue EC1R 4PT	08/09/2016 19:27:43	COMNOT	If this is the same building where Deliverance had their business previously, the noise from the previous tenant's air conditioning was considerable. Are there any guarantees about the level of noise, or about the hours of operation, given that most noise from street level on Warner Street reaches the flats above in Rosebery Square West with little dilution?
