2016/1869/P	Neil Wenman	Flat 4 Redhill studios Little Edward street London Nw1 4BG	08/09/2016 23:09:07	OBJ	<p>I would like to object this application - as any person standing on the proposed roof terrace would have a direct vista line into our apartment that is on the same level and only 8 metres away. Our apartment is open plan in design and therefore our entire living space would be visible.</p> <p>This roof terrace would set a precedent for all of the 9 dwellings to create a roof terrace and in doing so ruin the unique character of the courtyard.</p>
2016/1869/P	Jane carr	Flat 1 Redhill street studios London NW1 4BG	08/09/2016 23:16:41	OBJ	<p>I am keen to registrar my objection to the roof terrace for number 1 redhill street. Being within such close approximate of the proposal, neighbouring the property to the north on the ground level - this proposal would allow direct site lines into my flat. Plus this roof terrace would increase the late night anti social noise which echoes around the courtyard.</p>
