The Latest Additions To Our Product Range

Royale Sash Windows

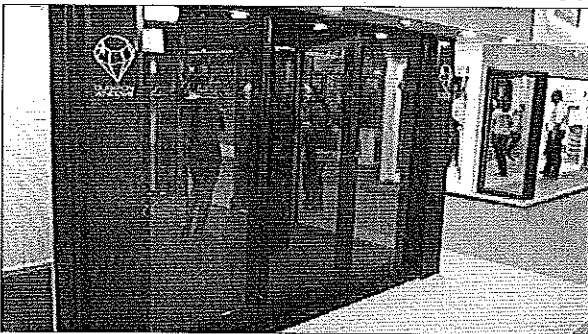

This is a stylish, low maintenance and authentic sash window that is suitable for use in heritage and conservation areas. It features sash horns, authentic glazing and an optional deep bottom rail.

Royale Putty-line Windows

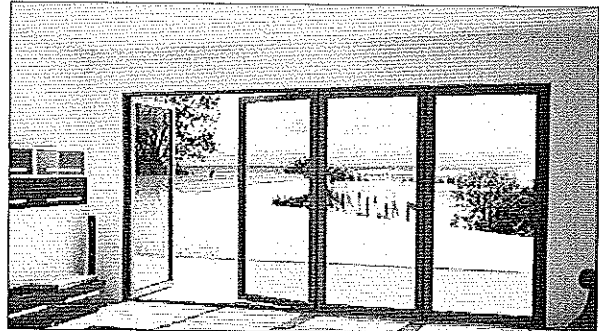

Designed to replicate traditional putty glazed steel windows, they are slim-line and just 32mm deep. They have a 45° chamfered sash design, are highly secure and have a range of authentic furniture options.

Continental Flush Glazed Bifold

Our Continental Folding Doors can now be flush glazed, giving the look of a seamless glass wall. The stepped sealed units can be double or triple glazed and can achieve U values as low as 1.4 W/M²K.

Durafold Concealed Bifold Door

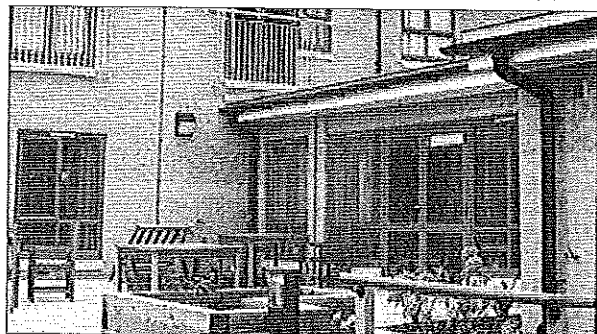

These bifold doors have no unsightly hinges breaking up the clean lines of the doors. It has flush handles and specially designed hinges that are fully concealed when the doors are closed, resulting in a clean look.

Durafold Slim-line Bifold Door

These will replace our Durafold 1000 as our slimmest Bi-folding Doors, with meeting stiles of just 108mm. They also have an extra wide Polyamide thermal break, to give excellent performance & low U values.

Premium Plus Entrance Door

These doors are designed to be specified for a wide range of applications, they are much slimmer than our Premium doors. They are highly secure and provide excellent thermal performance.
