Informative(s):

- 1 Reason for granting consent

Planning permission was granted 24/01/2011 for the display of 28 non-illuminated, double sided banner advertisements on lampposts along Chalk Farm Road (ref: 2010/6106/A). This proposal is for continued display of 21 of the banner signs which have been in place since this permission.

Camden Planning Guidance (CPG1) states that banner advertisements in commercial areas may be considered a suitable form of display.

The majority of the banners would be located outside the conservation area, with only 4 in the Regent's Canal Conservation Area. The proposed banners are considered to be appropriate in terms of their size, design and location and would not detract from the character and appearance of the existing streetscape or the Regent's Canal Conservation Area.

As such, it is considered that the proposal is appropriate without causing excessive visual clutter. It would preserve the character and appearance of the conservation

areas and the listed buildings along the route.

Steps have been taken to ensure that the chosen locations for the banners do not interfere with the CCTV cameras in this area.

The banners will not impact on the neighbours' amenity nor be harmful to either pedestrian or vehicular safety.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the conservation area, under s.72 of the Planning (Listed Buildings and Conservation Areas Act) 1990 as amended by the Enterprise and Regulatory Reform Act (ERR) 2013.

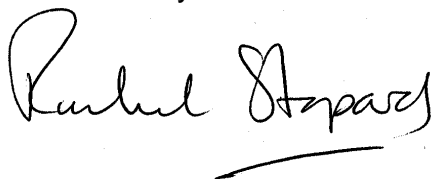

As such, the proposed development is in general accordance with policies CS5, CS14 and CS17 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24, DP25 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2016; and paragraphs 14, 17, 56 -67, 126 -141 of the National Planning Policy Framework.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
