<i>My enquiry is</i>	2016/4598/T "OBJECTION" Since 2013, consents have been granted to fell 72 trees in Kidderpore Avenue, through the following permissions: no. of trees consented to be felled 2015/3936/P 22 2015/4529/P 8 2013/4708/P 1 2014/4410/P 6 2013/0685/P 35 Total 73 Monitoring by the Ecology Network and Redington Frogнал Association indicates that, despite so many fellings, and trees not having been replanted, Kiddepore Avenue, somehow, continues to be an important foraging and commuting corridor for three species of bat. We therefore suggest that any further fellings are postponed until mature trees, with a high biodiversity value to these three species of bat, are in place.
