Subject: FW: application 2016/1355/P

Dear Kate Phillips,

I would like to object to application reference 2016/1355/P.

My name is Suzy Kendall and I live at 4 The Mount, NW3 6SZ opposite 82 Heath St NW3 1DN.

My reason for objecting is that the building will be changed retail use class A1 to class D1.

This is a village we need our shops and to maintain having shops on this area of Heath Street it is vital that all the shops are retained. The upper part of Heat street has already been lost.

My fear is that as Heathside Primary School already owns buildings in this area, for instance no 76 has frosted windows and has not been retained as a shop, this could happen to no 82 and it will be a further erosion of shops selling goods. I have no objection to any land behind a shop being used as long as a working shop is retained.

The building is grade 2 listed and forms an historical part of Hampstead village.

Regards, Suzy Kendall
