Dear Ewa,

Re: Devonshire House School – Hearing on Tuesday 20 September 2016. Appeal Ref: APP/X5210/W/16/3147225 - URGENT

I am writing to inform you that after a considerable amount of thought Devonshire House School has decided to withdraw its planning appeal and to submit an alternative scheme to Camden Council in due course.

The School does not believe that it is reasonable or justifiable to impose a pupil cap for a proposed development which only seeks to improve the existing facilities of the school premises at [69 Fitzjohn's Avenue](#). Nevertheless, it has been the School's approach to any planning matter that it should seek a consensus approach with the Council, and thus they have decided to reconsider the scheme in the belief, hope and expectation that this matter may be resolved with the Council without the need for an appeal.

Please can you inform the planning inspector as a matter of urgency and please do not hesitate to contact me if you have any queries. We apologise for any inconvenience caused.

Kind regards,
Lorna.
