2016/4615/P	Marcus Zaman	36 Cresta House 133 Finchley Road London NW3 6HT	15/09/2016 06:32:39	OBJ	I am writing in to object strongly to the above applications for a digital media billboard on the wall of 121 Finchley Road that is metres away from the bedroom windows of my apartment at 36 Cresta House, 133 Finchley Road. Cresta House is a majority residential building and the quality of life of each resident will suffer if this is allowed to proceed.
