

Application No:	Consultees Name:	Consultees Addr:	Received:	Comment:	Response:
2016/4663/P	Merik Apak	Town Hill Judd Street WC1H 9JE	15/09/2016 10:14:51	COMM	I submit my objection to this application in my capacity as ward councillor in Kentish Town. The proposed height of the development and close proximity to the neighbouring properties, in particular to those on lower ground and basements, will cause harm in loss of natural light and a feeling of enclosure.
