Dear Mr Lester

**Arrangements for Handling Heritage Applications Direction 2015 &
T&CP (Development Management Procedure) (England) Order 2015
19 FITZROY SQUARE, LONDON, W1T 6EQ
Application No 2016/2046/P**

Thank you for your letter of 24 May 2016 notifying us of the application for planning permission relating to the above site. We do not wish to comment in detail, but offer the following general observations.

Historic England Advice

Historic England provided comments on the original proposals for the Grade II* listed 19 Fitzroy Square in June this year (our reference L00512352). These proposed amendments include the removal of the basement extension, and we consider this to be a welcome change to the scheme. We confirm that we have no further comments to make on this application.

Recommendation

We would urge you to address the above issues, and recommend that the application should be determined in accordance with national and local policy guidance, and on the basis of your specialist conservation advice. It is not necessary for us to be consulted again. However, if you would like further advice, please contact us to explain your request.

Please note that this response relates to historic building and historic area matters only. If there are any archaeological implications to the proposals it is recommended that you contact the Greater London Archaeological Advisory Service for further advice (Tel: 020 7973 3712).

Yours sincerely
