Drawing Nos: Site Location Plan; A-(10)-011; A-(10)-010; A-(10)-012; A-(11)-010; A-(12)-010; A-(13)-010 (Rev A); A-(13)-011 (Rev A); A-(13)-012 (Rev A); A-(14)-010 (Rev A); A-(15)-010 (Rev A)

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan; A-(10)-011; A-(10)-010; A-(10)-012; A-(11)-010; A-(12)-010; A-(13)-010 (Rev A); A-(13)-011 (Rev A); A-(13)-012 (Rev A); A-(14)-010 (Rev A); A-(15)-010 (Rev A)

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The proposed rear extensions at ground and first floor level are considered to be subordinate additions that would not impact on the character of the property. Two storey full width extensions have been consented at several properties along this side of Hartland Road including both next door neighbours. The enlargement to the existing ground floor extension would be minor and not project further than the extension at no.13. A good sized rear garden would still remain. Therefore, the proposal would not look out of character with the pattern of rear development along the terrace and is considered acceptable.

The enlarged terrace at second floor level would not lead to overlooking of no.11 as the window serves the stairwell. At first floor level the terrace does not extend the full width of the roof below to prevent overlooking to both neighbours.

No objections have been received prior to making this decision. The planning history of the site has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24, and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with the London Plan 2016 and the National Planning Policy Framework.
