Arboricultural impact analysis prepared by Skerratt dated 15/08/15; Arboricultural method statement prepared by Skerratt dated 15/08/15; Planning statement prepared by Square Feet Architects dated September 2015; Sustainable design and construction prepared by Planning for Sustainability dated August 2015; Letter from Square Feet Architects dated 14/12/15; Basement Impact Assessment prepared by LBH Wembley dated December 2015; Geotechnical, Hydrogeological and Ground Movement Assessment prepared by LBH Wembley dated December 2015; BIA audit tracker (response to queries); Daylight and Sunlight Report prepared by BVP dated November 2015.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: Site location plan; 1503-L-: 011; 014; 015; 016; 017; 018; 019; 020; 021; 111B; 113C; 114C; 115B; 117A; 120A; 029A; 112D; 116D; 119D;

Arboricultural impact analysis prepared by Skerratt dated 15/08/15; Arboricultural method statement prepared by Skerratt dated 15/08/15; Planning statement prepared by Square Feet Architects dated September 2015; Sustainable design and construction prepared by Planning for Sustainability dated August 2015; Letter from Square Feet Architects dated 14/12/15; Basement Impact Assessment prepared by LBH Wembley dated December 2015; Geotechnical, Hydrogeological and Ground Movement Assessment prepared by LBH Wembley dated December 2015; BIA audit tracker (response to queries); Daylight and Sunlight Report prepared by BVP dated November 2015.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 Detailed drawings, or samples of materials as appropriate, in respect of the following, shall be submitted to and approved in writing by the local planning authority before the relevant part of the work is begun:

a) Details including typical sections at 1:10 of windows to be submitted to local planning authority and typical sample of frame to be provided on site

b) Manufacturer's specification details of all facing materials including render and timber cladding (to be submitted to the Local Planning Authority) and 0.4m x 0.4m samples of those materials (to be provided on site).

The relevant part of the works shall be carried out in accordance with the details thus approved and all approved samples shall be retained on site during the course of the works.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 5 The cycle store for 2 cycles hereby approved shall be provided in its entirety prior to the first occupation of the new dwelling, and permanently retained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policy DP17 of the London Borough of Camden Local Development Framework Development Policies.

- 6 Prior to the commencement of any works on site, details demonstrating how trees to be retained shall be protected during construction work shall be submitted to and approved by the Council in writing. Such details shall follow guidelines and standards set out in BS5837:2012 "Trees in Relation to Construction". All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage in accordance with the approved protection details.

Reason: To ensure that the development will not have an adverse effect on existing trees and in order to maintain the character and amenity of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 7 Prior to the end of the next available planting season, replacement tree planting shall be carried out in accordance with details of replanting species, position, date and size, where applicable, that have first been submitted to and approved by the local planning authority in writing.

Reason: To ensure that the development achieves a high quality of landscaping which contributes to the visual amenity and character of the area, in accordance with the requirements of policies CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 8 Sustainable urban drainage:

A) Prior to commencement of development details of a sustainable urban drainage system shall be submitted to and approved in writing by the local planning authority. Such system shall be designed to accommodate all storms up to and including a 1:100 year storm with a 30% provision for climate change, and shall demonstrate that greenfield run off rates (5l/s) will be achieved.

B) Prior to occupation of the development, evidence that the sustainable drainage system has been implemented shall be submitted to the Local Authority and approved in writing. The systems shall thereafter be retained and maintained in accordance with the approved maintenance plan.

Reason: To reduce the rate of surface water run-off from the buildings and limit the impact on the storm-water drainage system in accordance with policies CS13 and CS16 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22, DP23 and DP32 of the London Borough of Camden Local Development Framework Development Policies.

- 9 Prior to the first occupation of the building a plan showing details of the bio-diverse roof including species, planting density, substrate and a section at scale 1:20 showing that adequate depth is available in terms of the construction and long term viability of the green roof, and a programme for a scheme of maintenance shall be submitted to and approved in writing by the local planning authority. The green roof shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme of maintenance.

Reason: To ensure that the green roof is suitably designed and maintained in accordance with the requirements of policies CS13, CS14, CS15 and CS16 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22, DP23, DP24 and DP32 of the London Borough of Camden Local Development Framework Development Policies.

- 10 The development hereby approved shall achieve a maximum internal water use of 105 litres/person/day, allowing 5 litres/person/day for external water use. Prior to occupation, evidence demonstrating that this has been achieved shall be submitted to and approved by the Local Planning Authority.

Reason: To ensure the development contributes to minimising the need for further water infrastructure in an area of water stress in accordance with policies CS13 of the London Borough of Camden Local Development Framework Core Strategy and policies DP22 and DP23 of the London Borough of Camden Local Development Framework Development Policies.

- 11 No impact piling until a piling method statement, prepared in consultation with Thames Water or the relevant statutory undertaker, detailing the depth and type of piling to be undertaken and the methodology by which such piling will be carried out including measures to prevent and minimise the potential for damage to subsurface water infrastructure, and the programme for the works, has been submitted to and approved in writing by the local planning authority. Any piling must be undertaken in accordance with the terms of the approved piling method statement.

Reason: To safeguard existing below ground public utility infrastructure and controlled waters in accordance with the requirements of policy CS13 of the London Borough of Camden Local Development Framework Core Strategy.

- 12 A 1.75metre high screen, details of which shall have been submitted to and approved in writing by the local planning authority, shall be erected at lower ground floor level prior to the occupation of the development and shall be permanently retained.

Reason: In order to prevent unreasonable overlooking of neighbouring premises in accordance with the requirements of policy CS5 of the London Borough of Camden Local Development Framework Core Strategy and policy DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 13 Notwithstanding the provisions of Article 3 of the Town and Country Planning (General Permitted Development) Order 2015 or any Order revoking and re-enacting that Order, no development within Part 1 (Classes A-H) of Schedule 2 of that Order shall be carried out without the grant of planning permission having first been obtained from the local planning authority.

Reason: To safeguard the visual amenities of the area and to prevent over development of the site by controlling proposed extensions and alterations in order to ensure compliance with the requirements of policies CS14 and CS5 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies.

- 14 The development hereby approved shall incorporate sustainable design principles and climate change adaptation measures into the design and construction of the development in accordance with the approved sustainability statement (Sustainable Design and Construction prepared by Planning for Sustainability dated August 2015). Prior to occupation, evidence demonstrating that the approved measures have been implemented shall be submitted to and approved in writing by the Local Planning Authority and shall be retained and maintained thereafter.

Reason: To ensure the development contributes to minimising the effects of, and can adapt to a changing climate in accordance with policies CS13 (Tackling climate change through promoting higher environmental standards) and DP22 (Promoting sustainable design and construction).

- 15 The development hereby approved shall be constructed in accordance with the approved energy statement (Sustainable Design and Construction prepared by Planning for Sustainability dated August 2015) to achieve a 35% reduction in carbon dioxide emissions beyond Part L 2013 Building Regulations in line with the energy hierarchy, and a 20% reduction in carbon dioxide emissions through renewable technologies. Prior to occupation, evidence demonstrating that the approved measures have been implemented shall be submitted to and approved in writing by the Local Planning Authority and shall be retained and maintained thereafter.

Reason: To ensure the development contributes to minimising the effects of, and can adapt to a changing climate in accordance with policies CS13 (Tackling

climate change through promoting higher environmental standards) and DP22 (Promoting sustainable design and construction).

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 6941).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 You are advised that this proposal will be liable for the Mayor of London's Community Infrastructure Levy (CIL) and the Camden CIL as the additional floorspace exceeds 100sqm GIA or one unit of residential accommodation. Based on the information given on the plans, the Mayor's CIL Charging Schedule and the Camden Charging Schedule, the charge is likely to be £11,600 (232sqm x £50) for the Mayor's CIL and £116,000 (232sqm x £500) for Camden's CIL (Zone C Residential). It is noted that the applicant has submitted a self-build exemption form. The applicant is required to seek formal agreement to their claim for relief from Camden's CIL team before starting work on site (as relief cannot be granted once works have commenced).

This amount is an estimate based on the information submitted in your planning application. The liable amount may be revised on the receipt of the CIL Additional Information Requirement Form or other changes in circumstances. Both CIL's will be collected by Camden after the scheme has started and could be subject to surcharges for failure to assume liability or submit a commencement notice PRIOR to commencement and/or for late payment. We will issue a formal liability notice once the liable party has been established. CIL payments will also be subject to indexation in line with the construction costs index.

- 4 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.

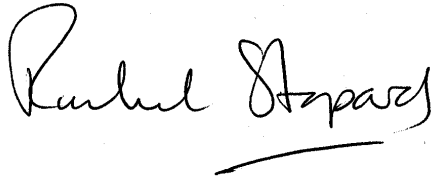

- 5 You are reminded of the need to provide adequate space for internal and external storage for waste and recyclables. For further information contact Council's Environment Services (Waste) on 020 7974 6914/5 or see the website <http://www.camden.gov.uk/ccm/content/environment/waste-and-recycling/twocolumn/new-recycling-rubbish-and-reuse-guide.en>.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
