

Key:  
 Existing fabric  
 Area of Dismantling

Existing modern raised floor and concrete slab to be excavated to generate taller floor to ceiling height of 2350m. Trial pits to be undertaken to determine construction and existing foundation arrangement. Findings will determine maximum excavation depth.

PRELIMINARY DRAFT FOR COMMENT

01 BASEMENT PLAN - DISMANTLING  
 5011 1:200 @ A3

**Notes:**  
 1 Any dwg format drawing is to be read only in conjunction with and at the scale of the accompanying pdf.  
 2 Status 'C' drawing (Construction): All dimensions are to be checked on site by the contractor, scaling is for Planning purposes only. Unless otherwise indicated, all dimensions are in millimeters. All information on this drawing is to be read in conjunction with the relevant Donald Insall Associates specification and trade contractors' drawings and information by specialists.  
 3 In the event of any query, please contact us immediately.  
 4 This drawing contains survey information by others and is to be used solely for the purposes for which it was issued.
