Dear Sir,

RE: PROPOSED BASE STATION – CTIL 147982 / VF 80443 / TEF 72424 AT GENERATOR HOSTEL, 37 TAVISTOCK PLACE, LONDON, WC1H 9SE

This is a full planning application, and notice in accordance with the electronic communications code under the Telecommunications Act 1984 Schedule 2 as amended by the Communications Act 2003, for permission for the development of:

The installation of 4no. antennas in groups of two on yoke brackets mounted off the chimney with the antennas to be painted to match the existing brickwork. The installation of 2no. antennas fixed onto a yoke bracket on a new support pole fixed to the plantroom. The installation of 3no. RRU's and 6no. ERS fixed to the back of the proposed antenna poles. The installation of 5no. equipment cabinets mounted on steel grillage at rooftop level along with hand railing, an access ladder and a 300mm wide cable tray.

at

Generator Hostel, 37 Tavistock Place, London, WC1H 9SE (NGR E530187, N182488)

Vodafone Limited, has entered into an agreement with Telefónica UK Limited, commonly known as O2, pursuant to which the two companies plan to jointly operate and manage a single network grid across the UK. These arrangements will be overseen by Cornerstone Telecommunications Infrastructure Ltd (CTIL) which is a joint venture company owned by Vodafone Limited and Telefónica UK Limited.

This agreement allows both organisations to pool their basic network infrastructure, while running two, independent, nationwide networks. It also enables both organisations to maximise opportunities to consolidate the number of base stations and significantly reduce the environmental impact of network development.

This application is submitted for and on behalf of Cornerstone Telecommunications Infrastructure Limited (CTIL) and Vodafone Limited.

The full planning application comprises:

- The original and 3 copies of the 1APP full planning application forms and applicable certificates;
- The original and 3 copies of the Drawings Ref. No's: 100, 200 and 300 with application site red edged;
- A copy of the 'Ownership Certificate' and covering letter as served on the site owner;
- A planning application fee in the sum of £385.00 made payable to Camden Council;
- Site Specific Supplementary Information;
- Design & Access Statement;
- General Background Information for Telecommunications Development;
- Radio Planning and Propagation document;

- Health and Mobile Phone Base Stations document;
- ICNIRP declaration and clarification statement.
- Email from the planning officer Shane O'Donnell dated the 18.07.16.

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (July 2013).

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance.

Furthermore we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully,

Katherine Jessop
