2016/4109/P	Neville Thompson	1 Calver Ingestre Road NW5 1XA	19/09/2016 16:48:57	COMMNT	Existing building works pm the Former Railway Club site have over-run massively. It seems unreasonable that the same company should now be allowed to expand the project. We have had excessive noise on our door step from 8am monday to saturday and sometimes on a sunday also. The noise is constant and is really quite intrusive. Apart from puting up with the noise itself it negatively effects our ability as Lease holders from selling on the property or even just AirBNBing the property when we go away for the weekend. Aside from the noise I am an asthmatic and I worry about the effects of breathing in all that builders dust. As far as I can tell there is hardly a square inch left to build in the area anyway. THIS HAS BEEN GOING ON LONG ENOUGH PLEASE HAVE MERCY!
