2016/4724/T	James L. Charles	9 Naseby Close London	19/09/2016 09:16:29	OBJ	Please do not remove these trees for the sake of a parking lot that can be built with the trees in place. The majestic trees (3) provide a glorious view for the immediate residents and casual visitor, not with standing the value to the wildlife, air quality and bio-diversity. A Sycamore tree is in the 'running' for the most beautiful tree. These trees need not be sacrificed for the potential extra parking space.
