Dear planners and tree officers,

2016/4727/T 3 Brookfield Park
No objection

2016/4609/P 34 Brookfield Park

The poor condition of the cement block wall has been a cause for concern for local residents and neighbours over many years. I support any works which will increase its strength and stability and reduce the possibility of any future accident to any member of the public passing by.

Thank you,

Eileen Willmott
