**Importance:** High

Dear Ms Hazelton,

We do not seem to be able to access this application via the PIN number 442679, today being the last day for consultation. However, we would like nevertheless to submit the comment from our committee as follows:

object  
tHE REAR EXTENSION IS TOO LARGE AND EXTEND TOO FAR INTO THE REAR GARDEN SPACE.

Object

The rear extension is too large and extend too far into the rear garden space.

Object to the removal of edge and plant bed in front garden space [previously refused] resulting in complete paving over of the front garden.

This proposal is harmful to the character and appearance of the Conservation Area.
