2016/3975/P	gail fitzgerald	flat 1 38 england's lane london	23/09/2016 01:21:35	COMMNT	we don't need any more 'luxury' flats..they are not that anyway.....but more flats that people can afford.....not 'affordable housing'.....and we certainly don't want all the disruption and noise involved for what amounts to getting the lovely people out and the selfish 'me me me' people in.....
