Dear Sir/Madam

DECISION

Town and Country Planning Act 1990 (as amended)

Request for Observations to Adjoining Borough - No objection

Address:
**12 Sherwood Street
London
W1F 7BR**

Proposal:

Request for observations from the City of Westminster for the installation of four mechanical extract fans at roof level

Drawing Nos: Letter from Westminster council dated 15th September.

The Council, as a neighbouring planning authority, has considered your request for observations on the application referred to above and hereby raises no objection.

Conditions and Reasons:

Informative(s):

- 1 No objection.

The proposal is for the installation of four mechanical extract fans at roof level. It cannot be clearly seen from Camden's side of the boundary as it is over 400

metres away from the nearest Camden's boundary (Shaftesbury Avenue).

Such nature of works would create no material impact on the appearance, local transport network or the amenity of Camden residents. Therefore, the application should be determined in accordance with Westminster's policies.

Yours faithfully
