Your comments on the planning application

Absolutely disgusted about proposed Mushroom Farm in Ludham garages. Mushroom farming is a horrendous health hazard which could be fatal to anyone with lung problems & asthmatics . The residents have not been properly informed, a letter slipped through the door on the 19//9/16 addressed to the Owner/Occupier dated 15/9/16 informing us of proposed work. All of the residents who maybe of a certain age or housebound - probably are not computer savvy & others may or may not for whatever reason be able to write or reach a post box to voice their complaint. The last tenants meeting we had, spores/health risks were

discussed, & we were told that said Farm was not going ahead, to which we were all very relieved.

It almost seems like if you live on a council estate you are treated like a second class citizen & our voices are totally ignored. Ludham residents were asked for suggestions for the garages - we suggested they be made back into garages which would be the norm,.

Everyone I have spoken to who resides in Ludham are totally against said proposal of a mushroom farm.

Why aren't the council listening to the residents of Ludham - the Mushroom farmers must be offering a considerable amount of money to rent out the garages for them to totally ignore our pleas - but there again they don't have to live here, we do.

The council were able to build a training centre for trades at the end of Ludham the took a bin room & replaced it with a small chute consequently the green is always strewn with rubbish now. I am sure if the council were able to build that training centre they would also be able to rebuild garages / & maybe sheds as well that the residents & others would gladly rent out.

No to Mushroom Farming - I am totally against the idea.

Your comments on the planning application

I would like to object against this proposal application of having a mushroom farm under the ludham building. I really think it's a bad idea and also my children have allergies which I believe will effect them, I would like the council to consider this proposal as a very bad one
