2016/4543/P	Zack Wilson	61 Belsize Park	26/09/2016 15:01:58	SUPNOT	I really support the proposals - the façade has needed renovation for several years and the use of white rendering will help the building blend in more with the others on the road. I am realistic that no amount of renovation can make the building identical to the others so the proposals certainly look like good progress.
