2016/4941/P	Thomas Harris	8 Oakeshott Ave.	27/09/2016 13:24:41	COMMNT	I am the immediate neighbour to this site and wish to support the planning application. The proposal is modest in scale and not much larger than the garden shed I have at the end of my garden immediately next to the location of this extension. I see no adverse impact on the surrounding residences..
