**The Council's failure to issue a decision (deemed refusal of consent)**

**The direction issued by the local authority requiring the replanting of woodland**

**Condition(s) attached to the consent**

**An article 5 certificate issued by the Council, eg that the appeal tree has an outstanding or special amenity value, or that the Council's decision is in the interests of good forestry**

**The Council's refusal to agree a matter that required their agreement under the terms of a condition of consent (TPOs made on or after 2 August 1999)**

## F. GROUNDS OF APPEAL

If you choose the recommended Fast Track appeal procedure the reasons you set out below will be treated as your statement of case. It is important that you set them out in full because you will not get an opportunity to add to them later.

You should provide at least one reason for each of the boxes you have ticked in section E. Explain why you think the Council's decision is wrong and should be overturned. The decision on your appeal will take into account the contribution that the tree(s) make to the amenity of the area and the reasons set in support of your application/appeal. If you are alleging that a tree is dangerous you may consider enclosing a report by a tree expert in support of your appeal. Please bear in mind that allegations of maladministration or complaints about the time taken by the Council to issue a decision on the application are unlikely to affect the outcome of the appeal, since such matters are not relevant to the merits of the proposal. If appealing against a refusal of consent to fell a tree or against a condition or direction requiring replacement planting you should indicate the species and size of any tree/s you would be prepared to plant if the appeal were to be allowed.

Please continue at section J or on a separate sheet if necessary

This appeal is made in respect of the **REFUSAL FOR CONSENT TO FELL 1 x YEW & 1 x ACER**

Our TPO application submission gave the following reasons for the application:

- 1.The tree works are proposed to stop the influence of the tree(s) on the soil below building foundation level and provide long term stability.
- 2.Estimated costs of repair to the building are £50,000.00 if the influence of the tree(s) remain and £11,205.00 if the proposed tree works are allowed to proceed. Granting permission will limit these costs. In the event of a refusal we, or our clients, will seek to secure compensation for the additional costs incurred through Section 202(e).
- 3.It is the expert opinion of both the case engineer and arboriculturalist that on the balance of probabilities the supporting information demonstrates the influence of the tree(s).

The following evidence was submitted with the application on the 21<sup>st</sup> of Dec 2015

ARBORICULTURAL REPORT (rev 1)  
ENGINEERS OPINION REPORT  
ENGINEERS REVISIT REPORT  
DRAINS REPORT  
GEOTECHNICAL REPORT (Nov 2014)  
LEVEL MONITORING REPORT (Oct 2015)

The application was not acknowledged until 8<sup>th</sup> Feb 2016. We agreed with the Tree Officer that they could have more time to consider the application and on the 8<sup>th</sup> of March 2016 we were sent a list of queries. This took some considerable time to complete as various site investigations were re-done. The following evidence was submitted on the 22<sup>nd</sup> of June 2016 at the insistence of the tree officer

ARBORICULTURAL REPORT (rev 2)  
ADDENDUM ENGINEERING RECOVERY REPORT  
GEOTECHNICAL REPORT (Nov 2014)  
GEOTECHNICAL REPORT (Mar 2015)  
ENGINEERS OPINION REPORT  
ADDITIONAL CRACKING IMAGES (taken June 2016)  
CERTIFICATE OF STRUCTURAL ADEQUACY  
PHOTOGRAPHIC RECORD OF TRIAL PIT AND BOREHOLE IMAGES  
DRAINS REPORT (April 2016)  
INVOICE SHOWING DRAINS REPAIRS COMPLETED  
LEVEL MONITORING REPORT (May 2016)

Should the tree be allowed to be felled we would be happy to replant with an appropriate replacement species thereby mitigating any potential loss.

## G. PROCEDURE

Appeals dealt with by written representations (Fast Track) procedures are usually decided more quickly than those which proceed through a hearing or a more formal local inquiry and because of this we recommend the Fast Track procedure.

However, if you or the Council ask to be heard by the Inspector we will organise a hearing which will take the form of a round table discussion. In very exceptional cases, where complex legal matters are at issue, a substantial number of third parties are involved and/or formal cross examination is warranted, we may decide to hold an inquiry.

Please tick one box only.

I wish my appeal to be decided through the Fast Track procedure

I wish to appear and be heard by an Inspector
