Drawing Nos: DBR-EC-SITE-63-100-01 rev T1, -02 rev T2; email on condition 30 response from Paul Turney dated 15.6.16

The Council has considered your application and decided to grant permission.

Informative(s):

- 1 Reasons for granting permission.

The submitted lighting strategy shows an appropriate location, arrangement, design and luminance of light columns and fittings around the estate which are considered appropriate to the character of the buildings and area and which will not harm the amenity of occupiers by light pollution.

The full impact of the proposed development has already been assessed. The proposed details would not have a harmful impact on the appearance of the host buildings and streetscene or on neighbouring amenity

As such, the proposed development is in general accordance with policies CS5, CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies.

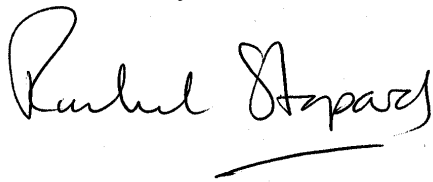

- 2 You are reminded that conditions 6 (privacy measures), 29(b) (contaminated land investigation and remedial measures), 31 (CCTV), 40 (education measures contribution), 43 (highway works contribution), 44 (environmental works contribution) of planning permission ref 2013/1014/P dated 13/05/2014 are outstanding and require details to be submitted and approved.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.
