Address: 1 Trinity Walk NW3

Description: Removal of car-free condition

Case Officer: Darlene Dike

Date: 27 September 2016

This condition was placed on the Permission for this new house with good reason, and is similar to conditions imposed on many other permissions, in the interests of discouragement to car use. This policy, framed to reduce carbon dioxide emissions and other air pollutants, has our full support.

This site is very well sited in relation to public transport, both Underground and busses, and all the criteria relevant to this policy seem to have been met.
