2016/4805/P	Sebastian Yoe	137 Malden Road Flat 5 NW5 4HS	28/09/2016 09:35:45	NOBJ	I support this application, especially as the green roof would improve the local environment. There are a number of existing roof terraces, both on top of the houses on the same street as this property and on top of houses in neighboring roads. This plan appears to be a sensible use of currently wasted space.
