Dear Sir or Madam

**PROPOSED BASE STATION INSTALLATION AT CAM0160
SIDNEY BOYD COURT, WEST END LAND, LONDON, NW6 4QZ
NGR: 525421/184169**

On behalf of UK Broadband Ltd, please find enclosed an application for full planning permission for the development of:

The installation of 3 no. pole mounted antennas and 3 no. 300mm diameter dish antennas, the installation of 2 no. equipment cabinets and development ancillary thereto at Sidney Boyd Court, West End Lane, London, NW6 4QZ (NGR: 525421/184169).

This application comprises:

- Planning Application form and certificates
- Planning drawings - Ref. No's: CAM0160A-100 A (Block and location plans), CAM0160A-101 A (Proposed site plan) and CAM0160A-100 A (Proposed site elevation)
- Prescribed fee - £385 (paid by credit card upon submission via planning portal)
- CIL questions form

The Supplementary Information document as per Annex E of the Code of Best Practice (2013) will be forwarded shortly under separate cover, along with an ICNIRP certificate.

It is noted the proposed development is to provide wireless broadband services and does not form part of a mobile phone network.

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (July 2013).
