Attn Ian Gracie.

Dear Ian Gracie,
I am writing to object to the planning application 2016/4326/P at 8 Anglers Lane NW5, for two flats to be built on the top of the building. They make the building too high for that environment, looming over the street and the surrounding area.

Too many buildings in this area are being converted to flats, and developers put in these late applications to go up just one more floor. They should be resisted, and I ask that this application be rejected.

Yours sincerely,
Adam Leys
