2016/3968/P	Hester Solomon	Flat 1 12 Kidderpore Gardens London NW3 7SR	03/10/2016 12:59:51	OBJLETTE R	F.A.O. Ms Anna Roe I object to these plans on the basis that the proposed lighting will cause an environmental nuisance to my property that faces the grounds of West Heath Lawn Tennis Club, as it will do for all the properties from the middle to the top end of Kidderpore Gardens. The increasing incursion of environmental nuisance by sound and light detracts significantly from the peaceful enjoyment of ones home and the ambience of the neighbourhood. You can contact me on 020 7794 6230. Yours Sincerely, Mrs Hester Solomon
